

Are you interested in how people make interdependent decisions?

The **ACES** research group at CEU is conducting studies
about decision-making in social context.

You can play a cool game on your smartphone!

How to participate?

All you'll need is a **smartphone** and **20 minutes** of your time.
Please scan the QR code and register.
You will be asked to download our **Coordy** App!

You can contact us at coordy@ceu.edu
